**A Jenny Mosley Masterclass to Support Mental Health and Wellbeing through Circle Time for KS1  
Wednesday 1<sup>st</sup> July 2020 from 9am – 11.30am**

Nothing re-inspires or re-energises staff more than the opportunity to see another teacher actually take a real lesson. During this workshop Jenny will carry out a Masterclass Circle Time demonstration with a KS1 class with delegates observing. Jenny will take an unknown class through the Five Steps of Circle Time to show how respectful relationships and positive behaviour management works in practice. By using games, puppets, rounds and imaginative activities, Jenny will show how you can help early years and KS1 Classes become more resilient, confident, able to listen and communicate. Circle Time has been described as "Well-being in action".

*"Awe inspiring", "A real energiser boost", "Rekindled my fires"* are often on the evaluations we receive – hundreds of testimonials available.

**What past delegates say:** *"I have had wonderful feedback from not only my staff but other heads too who sent their staff on the training. We have also found a way to get circle-time across the school weekly in each class..."* Jennifer Richards, Headteacher, St Mark's CE Primary, Bromley, Kent
